## VETERINARY EXAMINATION FOR DYNAMIC SYNDICATIONS

At the request of Dynamic Syndications, a pre-sale veterinary examination of **Lot 1, PIERRO ex FAITH HILL bay yearling filly**, brands as described in the 2017 Magic Millions Yearling Sales Catalogue, was carried out at the Magic Millions Sale Complex, Bundall QLD, on the 10<sup>th</sup> January 2017, prior to the commencement of the Magic Millions sale.

### Clinical Examination:

She was well conformed and a nicely balanced, athletic, attractive individual with good girth and rein. She was presented in good condition. She was a quality yearling standing over good ground. The filly is still immature and will develop further. All clinical parameters were found to be within normal limits. She was examined in hand, and was found to be free moving. Stethoscope examination of heartbeat was normal. There was no clinical evidence of wear or injury to her extremities.

### Radiographic Examination:

Pre-sale there was a full set of radiographs available for inspection in the repository at the Magic Millions Complex. Upon examination, there were no radiographic findings of any significance noted.

### Endoscopic Examination:

Post sale the upper respiratory tract was examined endoscopically and the larynx and pharynx were found to be normal in appearance and function.

### Conclusion:

In my opinion, at the time of this examination, **Lot 1 PIERRO ex FAITH HILL 2015 bay yearling filly** is in so far as can be determined from the extensive examination conducted, suitable for racing and public syndication and as such, is therefore suitable for all risk mortality insurance cover. I confirm that I advised Dynamic Syndications that in my opinion this lot was suitable for purchase.

Yours faithfully,

**Dr. T.M.B. Roberts BVSc. MRCVS**  
**12 January 2017**
