SYNDICATION REPORT FOR 'TASK AND PURPOSE (AUS) 2015'

SIRE: Zoustar (AUS)

DAM: Combat Kitty (AUS)

DESCRIPTION: 3-Year-Old Bay/Brown Thoroughbred Filly

BRANDS NSS: J T OVER LAZY 2
OSS: 95 OVER 5

DATE: 30th May 2019

On the 27th May 2019, the above-described horse was examined at the Magic Millions Sales Complex, Bundall, QLD.

A clinical examination was performed with no significant abnormalities noted. Endoscopic examination of the upper airway at rest revealed laryngeal function to be Grade 1 (on the Lanes scale) with no significant abnormalities noted. No radiographs were available for evaluation.

Within the limits of the examination performed, I consider '**Task And Purpose**' to be a suitable subject for syndication for racing purposes.

This certificate has been prepared for inclusion in the PDS issued by **Dynamic Syndications** and may be relied upon by prospective buyers who may invest in the thoroughbred. Apart from issuing this certificate I do not have, have not had, nor do I intend in future to have any financial interest in this horse.

Kind Regards,

.....N1749
