VETERINARY EXAMINATION FOR DYNAMIC SYNDICATIONS

At the request of Dynamic Syndications, a pre-sale veterinary examination was conducted on **Lot 110, AMERICAN PHAROAH ex BLUE MONEY, 2019 bay yearling filly**, brands **C** nr shoulder, **86** over **9** off shoulder, as described in the 2021 Magic Millions Yearling Sales Catalogue. This was carried out at the Magic Millions Sale Complex, Bundall QLD, on the 11th January 2021, prior to the commencement of the Magic Millions sale.

Clinical Examination:

A high quality, well conformed individual presented in good condition. She is athletic with a deep girth and good length of rein. She stands over good ground. The filly is still immature and will develop further. All clinical parameters were found to be within normal limits. She was examined in hand and was found to be free moving. Stethoscope examination of heartbeat was normal. There was no clinical evidence of wear or injury to extremities.

Radiographic Examination:

Pre-sale there was a full set of radiographs available for inspection in the repository at the Magic Millions Complex. Upon examination, they were considered **low risk** and there were no radiographic findings of any significance noted.

Endoscopic Examination:

Post sale the upper respiratory tract was examined endoscopically, and the larynx and pharynx were found to be **Grade 1**, normal in appearance and function.

Conclusion:

In my opinion, at the time of this examination, **Lot 110, AMERICAN PHAROAH ex BLUE MONEY, 2019 bay yearling filly**, is in so far as can be determined from the examination conducted, suitable for racing and public syndication and as such, is therefore suitable for all risk mortality insurance cover. I confirm that I advised Dynamic Syndications that in my opinion this lot was suitable for purchase.

Yours faithfully,

Dr. T.M.B. Roberts BVSc. MRCVS
