VETERINARY EXAMINATION FOR DYNAMIC SYNDICATIONS

At the request of Dynamic Syndications, a pre-sale veterinary examination was conducted on **Lot 148 AMERICAN PHAROAH ex LISSON GROVE, 2019 bay yearling colt**, brands as described in the 2021 William Inglis Melbourne Premier Yearling Sale Catalogue, at the Inglis Sales Complex, Oaklands Junction, VIC, NSW, on the 27th February 2021, prior to the commencement of the 2021 Inglis Premier sale.

Clinical Examination:

He is an athletic, well conformed, high-quality individual, presented in excellent condition. He has a deep girth and good bone. He walks well with a good action and stands over good ground. The colt is still immature and will develop further. This colt presents as a horse which should be better suited as a 3yo and older miler. All clinical parameters were found to be within normal limits. He was examined in hand and found to be free moving. Heart auscultation was normal. Both testicles were present. There was no clinical evidence of wear or injury to extremities.

Radiographic Examination:

Pre-sale there was a full set of radiographs available for inspection in the repository at the William Inglis Complex. Upon examination, they were considered **low risk** and there were no radiographic findings of any significance noted.

Endoscopic Examination:

Pre-sale the upper respiratory tract was examined endoscopically, and the colt was observed to have normal anatomy. Laryngeal function was normal, symmetrical and synchronous; considered **Grade 1** (normal - Lane Scale). Post-sale a secondary endoscopic evaluation was conducted, and the colt was passed.

Conclusion:

In my opinion, at the time of this examination, **Lot 148 AMERICAN PHAROAH ex LISSON GROVE, 2019 bay yearling colt**, is in so far as can be determined from the examination conducted, suitable for racing and public syndication and as such, is therefore suitable for all risk mortality insurance cover.

I confirm that I advised Dynamic Syndications that in my opinion this lot was suitable for them to purchase.

Yours faithfully,

Dr. T.M.B. Roberts BVSc. MRCVS
1 March 2021

NB: This examination is valid for seven (7) days and is only for the use of the person requesting the examination. The issuer of this certificate has no financial interest in the above horse and no contract with any other third party. The issuer has a long-standing relationship with Dynamic Syndications to provide a detailed veterinary assessment and specific advice on suitability of prospective yearling purchases at all yearling sales within Australasia.
