VETERINARY EXAMINATION FOR DYNAMIC SYNDICATIONS

At the request of Dynamic Syndications, a pre-sale veterinary examination of **Lot 221, EXCEED AND EXCEL ex SHOOT THE STARS Chestnut yearling colt**, brands as described in the 2012 Inglis Melbourne Premier Yearling Sale Catalogue, was carried out at the Sales Complex Oaklands Junction Vic, on the 26th January 2012, prior to the commencement of the William Inglis Premier Sale.

Clinical Examination:

This was an outstanding individual. Powerful, well grown and well balanced with good bone and excellent rein. He was very well conformed. He had a purposeful stride stretching out over good ground. Excellent angulations to shoulder and pastern, long and strong forearm and short cannon. He has a strong hindquarter, with good length to his croup and good hip to hock length. He was athletic, with a good flowing action at the walk. A free moving individual which was presented in excellent condition for inspection. Both testicles were presented. The colt is still immature and will develop further. All clinical parameters were found to be within normal limits. He was examined in hand, and was found to be free moving. Stethoscope examination of heartbeat was normal. There was no clinical evidence of wear or injury to his extremities. There was no response to flexion tests.

Radiographic Examination:

Pre-sale there was a full set of radiographs available for inspection in the repository at the William Inglis Sales Complex. Upon examination, there were no radiographic findings of any significance noted.

Endoscopic Examination:

Post sale the upper respiratory tract was examined endoscopically and the larynx and pharynx were found to be normal in appearance and function.

Conclusion:

In my opinion, at the time of this examination, **Lot 221, EXCEED AND EXCEL ex SHOOT THE STARS Chestnut Yearling Colt** is in so far as can be determined from the extensive examination conducted; suitable for racing and public syndication and as such, is therefore suitable for all risk mortality insurance cover. I confirm that I advised Dynamic Syndications that in my opinion this lot was suitable for their purchase.

Yours faithfully,

Dr. T.M.B. Roberts BVSc. MRCVS
1 March 2012
