VETERINARY EXAMINATION FOR DYNAMIC SYNDICATIONS

At the request of Dynamic Syndications, a pre-sale veterinary examination of **Lot 501, LOHNRO ex SECRET REVENUE Brown yearling filly**, brands as described in the 2011 Magic Millions Yearling Sales Catalogue, was carried out at the Magic Millions Sale Complex, Bundall QLD, on the 11th January 2011, prior to the commencement of the Magic Millions sale.

Clinical Examination:

She was a quality yearling. She displays typical conformation of classical middle distance thoroughbreds. She was a well grown athletic individual. She has good rein and covers good ground with an outstanding walk and easy flowing action. She presented in excellent condition. The filly is still immature and will develop further. All clinical parameters were found to be within normal limits. She was examined in hand, and was found to be free moving. Stethoscope examination of heartbeat was normal. There was no clinical evidence of wear or injury to her extremities. There was no response to flexion tests.

Radiographic Examination:

Pre-sale there was a full set of radiographs available for inspection in the repository at the Magic Millions Complex. Upon examination, there were no radiographic findings of any significance noted.

Endoscopic Examination:

Post sale the upper respiratory tract was examined endoscopically and the larynx and pharynx were found to be normal in appearance and function.

Conclusion:

In my opinion, at the time of this examination, **Lot 501 LONHRO ex SECRET REVENUE 2009 Brown yearling filly** is in so far as can be determined from the extensive examination conducted, suitable for racing and public syndication and as such, is therefore suitable for all risk mortality insurance cover. I confirm that I advised Dynamic Syndications that in my opinion this lot was suitable for purchase.

Yours faithfully,

Dr. T.M.B. Roberts BVSc. MRCVS
27 January 2011
