### **13(b). Information about Management Fees for Prospective Owners**

Promoters may include Management Fees in the Product Disclosure Statement.

Management of a horse by a Promoter may be considered important to some investors as certain Promoters may have extensive experience in the industry.

Investors should consider the monthly management service and fee as detailed in the Product Disclosure Statement (or other contract or agreement) for the services provided and ask any questions of the Promoter before deciding whether to proceed.

Investors should note that under usual circumstances the agreements reached to provide a management service is only for the racing career of the horse and does not extend beyond this e.g. breeding career except by separate arrangement.

### **14. Racing Manager**

**DEAN WARREN WATT** will act as Racing Manager, as first appointee of the Syndicate Manager as Racing Manager, in accordance with the provisions of *clause 5* of the *Syndicate Deed*.

### **15. Trainer**

**CHRIS WALLER** will train the Horse from his **ROSEHILL** stables as the first appointee of the Syndicate Manager as Trainer, in accordance with the provisions of *clause 6.2* of the *Syndicate Deed*.

**Mr WALLER** has agreed to train the Horse.

### **16. Veterinary Report**

**DR TIM ROBERTS of Centennial Park Veterinary Practice (ABN 91 072 794 944) BVSc, Veterinary Surgeon ("Dr Roberts")** has provided an initial veterinary report as to the suitability of the Horse for purchase and syndication.

**Dr ROBERTS** has given, and has not, before the date of this PDS, withdrawn his consent to the issue of this *PDS* with the veterinary report being included in the form and context in which it is included.

**Dr MURRAY BRIGHTWELL of Cambridge Equine Hospital (GST Reg. # 11-311-687) BVSc, Veterinary Surgeon ("Dr Brightwell")** has provided a current veterinary report as to the suitability of the Horse for purchase and syndication subsequent to the NZ Bloodstock Ready To Run Sale.

**Dr BRIGHTWELL** has given, and has not, before the date of this PDS, withdrawn his consent to the issue of this *PDS* with the veterinary report being included in the form and context in which it is included.

## 17. Assessment of Value

The Promoter relies on the price paid for the Horse by the Offeror at public auction as being the current market value of the Horse. It was noted that the horse was offered through the salering at the NZ Bloodstock Ready To Run Sale. The horse was subsequently passed-in at \$165,000 NZD (\$136,000 AUD) with a Reserve Price of \$180,000 NZD. At the published AUD/NZD Exchange Rate on 22/11/12 of \$1.21

## 18. Insurance

The Offeror has arranged mortality insurance cover with LOGAN LIVESTOCK INSURANCE AGENCY (ABN 81 001 826 204) which expired on **1 November, 2012**, subsequent to which date the Offeror extended the expiry date to **30 March 2013** at the **increased syndication value of \$195,000**. From that date forward each Owner will be responsible for assessing his or her own insurance risk and arranging whatever insurance cover he or she considers is appropriate.

## 19. Interests of the Promoter, the Offeror, the Syndicate Manager, the Racing Manager, their directors and experts

1. The Promoter, the Offeror, the Syndicate Manager and the Racing Manager, neither have, nor have had in the period of two years before the date of this *PDS*, any interest in relation to the promotion of the Syndicate or in the Horse other than the interests detailed in this *PDS*.
2. No Director or proposed Director of the Promoter, the Offeror the Syndicate Manager or the Racing Manager, either has, or has had in the period of two years before the date of this *PDS*, any interest in relation to the promotion of the Syndicate or in the Horse other than emoluments he or she may be entitled to receive from the Offeror, the Promoter, the Syndicate Manager or the Racing Manager and interests detailed in this *PDS*.
3. **Mr Waller** neither has, nor has had in the period of two years before the date of this *PDS*, any interest in relation to the promotion of the Syndicate or in the Horse, save for the expectation that he will receive fees from training the Horse. Prospective investors should be aware that **Mr Waller** may train other Horses syndicated and/or managed by the Promoter, Syndicate Manager and/or Racing Manager.
4. **Dr Roberts** neither has, nor has had in the period of two years before the date of this *PDS*, any interest in relation to the promotion of the Syndicate or in the Horse except that he will receive a professional fee in connection with the provision of the Veterinary Report. Prospective investors should be aware that **Dr Roberts** may provide veterinary services to other Horses syndicated and/or managed by the Promoter, Syndicate Manager and/or Racing Manager.
5. **Dr Brightwell** neither has, nor has had in the period of two years before the date of this *PDS*, any interest in relation to the promotion of the Syndicate or in the Horse except that he will receive a professional fee in connection with the provision of the Veterinary Report. Prospective investors should be aware that **Dr Brightwell** may provide veterinary services to other Horses syndicated and/or managed by the Promoter, Syndicate Manager and/or Racing Manager.
6. There is nothing in the *Syndicate Deed* to prevent either themselves or any members, officers, directors of the Promoter, the Offeror the Syndicate Manager or the Racing Manager, or any corporation related to any of them or their officers, from purchasing, holding, dealing in or disposing of Shares in the Syndicate, or from otherwise contracting or acting as agent or entering into or being interested in any contract or transaction whatsoever with any other of them or with any Owner.

**20. Summary of rights and liabilities attaching to Shares in the Syndicate and other relevant information**

The full rights and liabilities attaching to Shares in the Syndicate are set out in the *Syndicate Deed*, a copy of which is annexed to this *PDS*. Each prospective purchaser of a Share should read that document in its entirety, as each Owner of a Share will be bound by its terms. Some important points are as follows:

- (a) None of the Promoter, the Offeror, nor any person or corporation named in the *Syndicate Deed*, nor anyone on behalf of any of them, makes any representation or warranty with regard to either:
  - (i) the suitability of the Horse either for racing or subsequently for stud purposes; or
  - (ii) the reliability or adequacy of any insurance cover arranged for the benefit of the Owners and referred to in this *PDS* or the *Syndicate Deed*;

and each Purchaser of a Share must acknowledge entering into the Syndicate at his or her own risk and being aware that investment in thoroughbred horses is highly speculative.

- (b)
  - (i) The Owner of each Share will be entitled to a pro-rata share of net Prizemoney (gross Prizemoney less the obligatory deductions of 10% for the trainer and 5% for the jockey) and Breeders Bonus or Incentive Scheme payments earned by the Horse from racing, in accordance with the provisions of *Clause 2.3* of the *Syndicate Deed*; and
  - (ii) The entitlements of the Owners are subject to the default provisions set out in *clause 18* of the *Syndicate Deed*, which afford the Syndicate Manager both the right to suspend an Owner's entitlements whilst in default, and a power of sale in the event such default is not rectified within 14 days of receipt of notice.
- (c) The Owner of each share will be liable for a pro-rata share of costs associated with operating the Syndicate and with maintaining, training and racing the Horse, in accordance with the provisions of *Clauses 3 and 13* of the *Syndicate Deed*.

The following are indicative of Syndicate and Horse expenses (inclusive of GST) for a full financial year, payable by each Owner monthly:

	Total for the Syndicate per annum	Total per 5% Share per annum	Total per 5% Share per month
Fee payable to Syndicate Manager For Horse Administration, Racing Management, Client Information Flow, Annual Preparation of Co-Ownership Accounts, Annual Auditors Fee, other Miscellaneous Services, etc.	\$15,840	\$792	\$66
Estimated Horse costs (agistment, veterinary, pre-training, training and racing costs etc, but excluding major race entry and acceptance fees). *Note – these costs will vary significantly from month to month depending upon whether or not the Horse is in full training on out of training on agistment.	\$35,000	\$1,750	\$145.84* (indicative only and subject to significant variation from month to month)
<b>Total</b>	<b>\$50,840</b>	<b>\$2,542</b>	<b>\$211.83</b>

- (d) Each Owner, by the provisions of *clause 2.8* of the *Syndicate Deed*, authorises the Syndicate Manager to do all things required to be done by an Owner to comply with the provisions of the *Syndicate Deed* and the *Rules of Racing* including signing a transfer of ownership of that Owner's interest in the event of unremedied default.

- (e) A procedure for determining the entitlements of the Owners to Trophies and replica Trophies is set out in *clause 2.3* of the *Syndicate Deed*.
- (f) A procedure for handling internal complaints is provided by the provisions of *clause 16* of the *Syndicate Deed*, which includes the right of an Owner, in certain circumstances, to have the dispute referred to the *FINANCIAL OMBUDSMAN SERVICE LIMITED (ABN 67 131 124 448)* ("FOS") for determination by conciliation or arbitration.
- (g) Provisions relating to the termination of the Syndicate on either the sale or death of the Horse, Owners agreement by Extraordinary Resolution, the Syndicate Manager electing to wind-up the Syndicate, or by order of the Court, are set out in *clause 19* of the *Syndicate Deed*.
- (h) The Owners rights of indemnity are limited by the provisions of *clauses 20* and *21* of the *Syndicate Deed*.
- (i) Investors should be aware that the Promoter, the Offeror, the Syndicate Manager and/or the Racing Manager, may each retain/acquire Shares in the Syndicate and that they may retain/acquire any number of Shares.

## **21. Marketing of Shares**

An Owner will not be able to offer for purchase, or issue invitations to buy Shares, unless the prospective purchaser is provided with a *PDS* prepared by the Syndicate Manager in accordance with the provisions of *clause 4.8* of the *Syndicate Deed*.

In addition, there are restrictions on the sale of Shares set out in *clause 11* of the *Syndicate Deed*.

There will be no ready market for the Shares. Neither the Syndicate Manager nor the Racing Manager will be obliged to sell a Share on behalf of an Owner. Each Owner should consider the acquisition of a Share as a long term investment for the life of the Syndicate.

## **22. Warning**

Investment in bloodstock must be considered to be of a speculative nature.

Each Purchaser of a Share must also acknowledge that there are inherent risks associated with investment in thoroughbred horses, including, without limitation, the following:

- (a) not all horses offered for syndication progress to competing in races;
- (b) the rate at which young horses mature varies markedly and it is not possible to predict with any degree of certainty at what age a horse will be mature enough to race;
- (c) not all horses which do race either win, or are placed, or earn prize money;
- (d) injuries can be sustained which may delay or inhibit a horse's ability to race, or even prevent a horse from having a racing career at all;
- (e) an extremely high percentage of colts are invariably gelded to optimise racing potential; and
- (e) insurance is available against some, but not all, risks associated with the ownership of thoroughbred horses.

## **23. Risk**

Fluctuations in the value and sale price of Shares should be anticipated. Factors which will influence both the value and sale price of the Shares include, without limitation, the following:

- (a) the skill and expertise of the individuals engaged to manage, maintain and market the Horse, as well as the manner in which these functions are carried out;
  - (b) the race performances of the Horse;
  - (c) the Horse may die or its value may be diminished as a consequence of accident, injury, contraction of disease or natural cause;
  - (d) the level of demand for horses of equivalent calibre both at public auction and by private treaty;
  - (e) the level of supply of horses of equivalent calibre both at public auction and by private treaty;
  - (f) any change in the current conditions affecting investment in the thoroughbred horse industry, including level of prize money and taxation benefits available to breeders;
  - (g) changing conditions within the Australian economy generally; and
  - (h) the price which buyers at public auction or by private treaty are willing to pay either for the Horse, or Shares in the Horse, if offered for sale, may not reflect either the purchase price paid by the Offeror for the Horse or the sale price of the Shares offered under this *PDS*.
-

**Declaration**

I *DEAN WARREN WATT*, Sole Director of *DYNAMIC SYNDICATIONS (DEAN WATT THOROUGHBREDS PTY LTD T/AS)* declare that:

- (a) the statements contained in this PDS are true and correct; and not misleading in their form or content; and
- (b) this PDS contains all information which prospective investors and their advisers would require and reasonably expect to find in a PDS for the syndication of a Horse for the purpose of making an informed assessment about investment in the Syndicate.

Re: Commitment to Train for DYNAMIC SYNDICATIONS

Dear Sir,

I wish to confirm that Dean Watt, on behalf of his company Dynamic Syndications, inquired if I was interested in training the following horse on their behalf:

2010 Bay Colt      **NORTHERN METEOR / VILLA VALENCIA GAYE**

I have agreed to train the above horse from my Rosehill stables in accordance with my standard terms of trade. These terms are available from my office upon request.

Further, my business practice is in accordance with Dynamic Syndications Product Disclosure Statement supplied with this horse.

I acknowledge that Dynamic Syndications employ Dr. Roberts as their contracted veterinarian. I am aware Dr. Roberts has seen this horse both at the sales prior to purchase where it passed a physical examination and its x-ray inspection were clear. I am aware the horse passed full inspection for syndication.

I offer this letter for inclusion with Dynamic Syndications Product Disclosure Statement for the above described horse. I advise I have had no financial interest with this horse prior to being asked to train it for Dynamic Syndications.

**IMPORTANT NOTICE TO POTENTIAL INVESTORS:**

\* I advise all perspective investors that for full disclosure and the avoidance of any doubt, I was asked to train this horse for Dynamic Syndications, after it was purchased at the Magic Millions Yearling Sales on 18 January 2012.

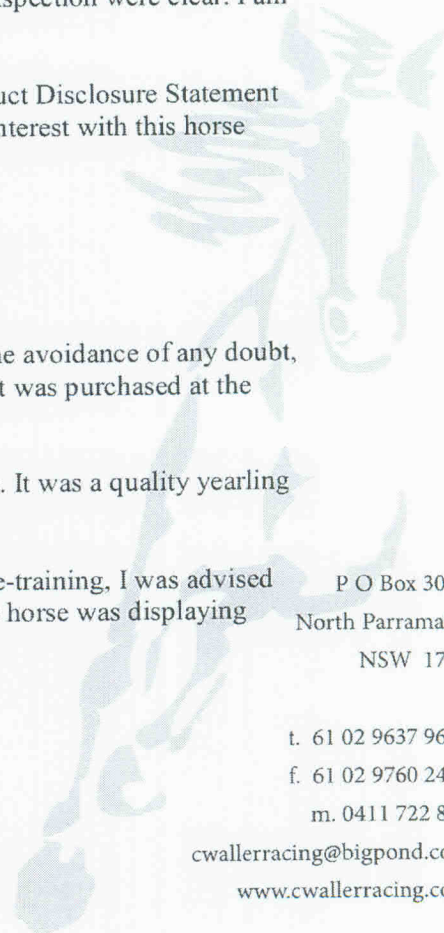

\* I had inspected the colt with Dean Watt at the Magic Millions. It was a quality yearling and was I was delighted to have been offered the colt to train.

\* The horse having subsequently been educated and put into pre-training, I was advised by Dynamic Syndications that, on advice they had received, the horse was displaying well above average ability.

www.cwallerracing.com

\* I confirm that after a conversation between Dean Watt and myself, it was mutually agreed that the colt would not be syndicated at that time.

\* I was advised that the colt would be retained for the purpose of being offered at the NZ Bloodstock Ready To Run Sale in November where its potential racetrack ability could be displayed to investors, by breezing-up against the clock over 200m at Te Rapa Racecourse and then accurate comparisons could be achieved against all other horses catalogued in the sale.

\* I confirm that I was aware it was always the stated business intention of Dynamic Syndications that if possible, the colt would be retained for syndication through my stable.

\* I have viewed the breeze-up and was very impressed with the colt's exposed ability level noting he breezed up significantly quicker than the average time.

\* I am aware that Dr Murray Brightwell from Cambridge Equine Hospital, checked the x-rays and inspected the horse at the saleyards and there were no issues of any concern noted.

\* I was present at the Sale in NZ where the horse was offered for auction and inspected him at the saleyard. I am aware it was passed-in for \$165,000 NZD with a Reserve Price of \$180,000 NZD.

\* I confirm that this is a new concept from Dynamic Syndications to offer ready to run 2yo's for syndication which have displayed well above average potential and I endorse their concept. I am delighted to have access to such a high quality thoroughbreds for my stables.

\* I am aware that Dynamic Syndications are offering investors an opportunity to race this colt and the share prices are 10% Shares at \$19,500.00 and 5% Shares at \$9,750.00.

I strongly endorse this new concept for syndicating young racehorses, because it has eliminated the significant majority of risks associated with purchasing yearlings. It has removed much of the guesswork by allowing the individual to display its ability, with full anticipation that there is significant upside available. I recommend potential investors give due consideration to this colt being offered by Dynamic Syndications under this concept with the colt's exposed ability. In my opinion, this allows all investors greater confidence in the product and offers full transparency and integrity in the processes involved.

Yours faithfully,

Chris Waller

## VETERINARY EXAMINATION FOR DYNAMIC SYNDICATIONS

At the request of Dynamic Syndications, a pre-sale veterinary examination of **Lot 404, NORTHERN METEOR ex VILLA VALENCIA bay yearling colt**, brands as described in the 2012 Magic Millions Yearling Sale Catalogue, was carried out at the Sales Complex Bundall, Qld, on the 10<sup>th</sup> January 2012, prior to the commencement of the Magic Millions Yearling Sale.

### Clinical Examination:

He was athletic and well balanced with good length of rein. This was is a quality colt. He was well conformed. He is a colt that stands over good ground with an effortless action at the walk. He is a neat, compact, speed style of individual. He presented well for inspection. Both testicles were presented. The colt is still immature and will develop a lot further. All clinical parameters were found to be within normal limits. He was examined in hand, and was found to be free moving. Stethoscope examination of heartbeat was normal. There was no clinical evidence of wear or injury to his extremities. There was no response to flexion tests.

### Radiographic Examination:

Pre-sale there was a full set of radiographs available for inspection in the repository at the Magic Millions Sales Complex. Upon examination, there were no radiographic findings of any significance noted.

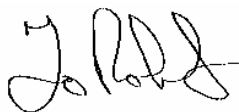

### Endoscopic Examination:

Post sale the upper respiratory tract was examined endoscopically and the larynx and pharynx were found to be normal in appearance and function.

### Conclusion:

In my opinion, at the time of this examination, **Lot 404, NORTHERN METEOR ex VILLA VALENCIA bay yearling colt** is in so far as can be determined from the extensive examination conducted; suitable for racing and public syndication and as such, is therefore suitable for all risk mortality insurance cover. I have reviewed a 34 view repository series for the above horse taken on 23/10/2012. Slight modelling of the dorso medial aspect of the third metatarsal bone is noted distally. This is not in my opinion of clinical significance. In my opinion there are no significant findings in the above series
