Veterinary Syndication Certificate

Date: 24.7.15

Horse:

Sebring (AUS) 2005 X Marheta (AUS) 2006

Brands:  9 over 3

Agent: Dynamic Syndications

Microchip: 985 100 012 035 320

The above horse was examined on the above date for the purpose of providing a veterinary syndication certificate for inclusion in a product disclosure statement (PDS) for syndication by the above listed agent.

Based on the examination, which involved a clinical examination as outlined by the Australian Equine Veterinarian Association examination for mortality insurance purposes, I find no reason, within the scope of the examination, why this horse is not suitable for syndication for flat racing purposes and mortality insurance.

I declare that I do not have any interest or intended future financial interest in the horse, the proposed syndicate.

This certificate may be relied upon by prospective investors who invest in this horse; however it does not constitute a "pre purchase" examination.

Yours sincerely

Graham Doherty
